

Application for 2022 – 2023 term

The primary goal of the Teen Advisory Board (TAB) is to create shared leadership in Arkansas Museum of Fine Arts (AMFA) teen programming through initiatives and collaborations between TAB members and the AMFA. The TAB will advise the AMFA on how to better serve teen audiences and plan projects that promote dialogue and inclusion at the AMFA. The TAB will lend their point of view to AMFA initiatives. The TAB will become immersed in the Museum, Performing Arts, and Art School through tours, activities, and behind-the-scenes conversations with AMFA staff. Through experiences with art appreciation, art making, and performing arts, TAB members will be able to better inform the direction of museum programs and activities. Members of the TAB will direct all aspects of an annual Teen Night, student art exhibitions, and other teen activities.

By creating a space for open communication with teens in the communities we serve, the AMFA will be able to be an active partner in the education, creative development, and creative discovery of this diverse subset of our community. Allowing teens to be a part of our organization in this way helps us to grow and learn together through the worlds of visual and performing arts. Through this board we will truly have a partnership with teens in the communities that we serve and allow a space for open dialogue, understanding and learning.
